William Verinder

As you will note in the enclosed brochure, the program consists of presentations, by leading erts in the field, designed to help you better manage your diabetic patients.

The curriculum has been approved for 4.5 hours of prescribed credit by the American Academy of Family Physicians, and for 4.5 hours of Category I credit towards the Physician's Recognition Award of the American Medical Association.

The entire day's proceedings are being made available to us by an educational grant from Eli Lilly and Company.

It will be of great value to the practicing physician and I hope that you will be able to attend. To register, please call 1-800-242-8558 (9-5 EST) or return the enclosed registration card.

Sincerely,
